

Butterfly Sanctuary Certificate Application

A Certificate may be used to recognize an individual, school, business, or any organization that has established a garden that includes both larval and nectar plants for butterflies.

NOTE: The Certificate should be printed in color on card stock paper.

1. Print the Certificate and write the name of the person or organization you wish to recognize in the blank space provided **OR** complete the Certificate on-line before printing.
2. Email OR mail the following information and a list of some of the plants in the garden for the record to Jeri Decker, Chairman, Birds and Butterflies.
Provide several photographs of the garden (optional).
3. Have your Club/Circle President or Butterfly Chairman present the Certificate to the recipient at a club meeting or event.
