

Dear Florida Judges,

This Fall issue of Factual Notes encompasses several 'firsts'. It is the first issue we are posting online for your future reference. And for the first time we are offering you the opportunity to receive your Factual Notes via email. If you prefer to receive less paper, just drop a note to Joanne and we'll put you on the email list for future issues. Factual Notes comes out in August and in January, in time to disseminate the registration forms for the Spring and Fall Symposiums. Now you can access these forms online any time you need them, and the rest of Factual Notes as well. We hope you enjoy this opportunity and we look forward to hearing your comments.
