

CRITTER CAMP 2012

Florida Federation of Garden Clubs

Dear Parent, Volunteer (Cabin Moms/Cabin Dads),

We are looking forward to the coming Critter Camp session and are delighted that you and/or your critter will be a part of it. You will find the information and forms you need on our website at <http://www.ffgc.org/forms/index.html>. Critter Camp is a fun-filled mini-camp experience with an emphasis on studying nature and conservation.

Be positive as you prepare your child for camp, and remind him/her that there may be unfamiliar sounds, food and activities that they could experience during their stay at camp. The camper will have the challenge of sharing with others, living in close quarters with strangers of different backgrounds and the need to be respectful of others. Teamwork is very important at camp.

The following are available on the website:

1. Critter Camp Registration Form, include check to reserve space
2. Health Form, signed by physician, copy of Insurance Card is required
3. Camper Agreement/Volunteer Agreement*

* Volunteers will find also an FDLE Background Release Form

Also on the website, you will find:

- a. Maps/Directions to Wekiwa Springs State Park/Wekiva Youth Camp
- b. Suggested Packing List

Your contact person for Critter Camp is:

Betty Moore
2552 Pineapple Avenue
Melbourne, FL 32935-6209
321-242-0094
moore2552@wmconnect.com

Camp will be here before we know it. It's sure to be a grand adventure as we learn, grow and experience the magic of Wekiva.

Betty Moore, Critter Camp Chairman, 2012
