

AMAZON SMILE INSTRUCTIONS

While Florida Federation of Garden Clubs, Inc. cannot be found in the Amazon Charities List, they are among the charities listed when choosing.

Amazon Prime customers can set up their mobile app accounts to always shop via Smile - Desktop and Mobile App (tablets, phones) are set up separately since they are different entries into the Amazon shopping experience.

Phone - In the phone app there is a menu icon on the bottom right (3 horizontal lines).

Click the lines - this opens settings

- Country & Language

- Notification

- Permissions

- AmazonSmile**

- Alexa

- etc.

Select AmazonSmile

- Select the Charity

- Turn AmazonSmile "On"

This action must be renewed two times per year.

Kindle Fire shopping setting can also set to AmazonSmile "ON".

This is especially important for iPhone/iPad users since there are conflicts between the two companies and not all sales - Smile or otherwise - can be completed via an iApp (Kindle, music, print, other publishing, some art, as examples).

Generally, a browser remembers to go to AmazonSmile - and that is the only place you would have to "watch" to ensure your orders are "Smiled."
