

Awards Report  
DSGC/NGC Awards Chair  
Jennifer Condo  
January 9, 2019

This Chairperson organized Judgement Day on December 6, 2018 at FFGC Headquarters. She maintained a list of attendees gathered from the April 2018 FFGC Convention and the FFGC Board of Director's Meeting on September 12, 2018. She created an Excel spreadsheet with the list of people attending. She arranged hotel accommodations with the Comfort Suites in Orlando for a block of 15 rooms for the overnight guests. She emailed the Garden Club members several times leading up into December giving them information about the hotel accommodations and participation. She and Valerie Seinfeld decorated the lobby and set up the tables with the necessary paperwork items, pencils, and scrap paper on each. All the guests arrived after 8 am and we promptly started at 8:30 am to judge all the FFGC adult awards. A total of 57 people attended Judgement Day: 42 for adult awards, 5 Board members, Jennifer Condo and Valerie Seinfeld, and 8 members in Mary Silas's group for floral shows.

This Chairperson went to FFGC Headquarters on December 4 & 5, 2018 to organize all awards. She organized the awards into their appropriate folders and verified on a spreadsheet the name of the award and the garden club applying. She created a point scale sheet for every award with the name of the garden club and district number, paperclipped it to every award, and placed it in the appropriate folders. She also verified that the award name and number were correct with a description of the award found in the body of the report on every application.

This Chairperson emailed a thank you to all the 55 attendees from Judgement Day.

This Chairperson read every winning award forwarded to her from Valerie Seinfeld. She determined which award it applied to and forwarded it to DSGC or NGC per their award requirements. She passed on 41 awards to DSGC and 30 to NGC.

**SUMMARY:** This Chairperson submitted 41 awards to DSGC and 30 to NGC for further judgement.
