

Butterfly Sanctuary Certificate Application

A Certificate may be used to recognize an individual, school, business, or any organization that has established a garden that includes both larval and nectar plants for butterflies.

NOTE: The Certificate should be printed in color on card stock paper.

- 1. Print the Certificate and write the name of the person or organization you wish to recognize in the blank space provided **OR** complete the Certificate on-line before printing.
- Email OR mail the following information and a list of some of the plants in the garden for the record to Barb Jacobson, Chairman, Birds and Butterflies.
 Provide several photographs of the garden (optional).
- 3. Have your Club/Circle President or Butterfly Chairman present the Certificate to the recipient at a club meeting or event.
